Dear Trinity,

To better build our community, we have started increasing our social media presence. Please follow us on the below social media platforms, and invite your friends! In addition, we will be looking for content beginning immediately. We will be spotlighting members occasionally and have an “Ask the Pastor” segment. **If you are interested in being featured as a spotlight member, or have a question you would like me to answer on social media, please reach out and let me know!** This is an exciting way we can engage with our community, and I look forward to seeing what comes next!

Also, would you be interested in being featured? All I need is a photo you are okay appearing on social media, a fun fact, a favorite Scripture or Christian quote, and a sentence or two about why you love Trinity. If you are interested, let me know, but if not, it is totally understandable.
