**What is Per Capita?**

The per capita assessment for 2023 is \$34 per person. Per capita is a fundamental way for all congregations and governing bodies of the Presbyterian Church (U.S.A.) to be connected and participate in the work of the wider church. This funding is how Presbyterians, through the Presbytery of Cincinnati, mutually share the cost of coming together to discern the Spirit’s leading for the future.

The session pays per capita quarterly to the Presbytery. Without this purposeful giving these funds come out of Trinity’s yearly budget, which makes it difficult for Trinity to meet specific needs of our church. Please contribute this purposeful giving of \$34 per person and make checks out to *Trinity Presbyterian Church* and, in the notation line, put *Per Capita*.
