## One Great Hour—Thank You

Trinity thanks all those who supported the One Great Hour of Sharing which helps to improve the lives of the suffering and the vulnerable. OGH provides relief from natural disasters, food for the hungry, and support for the poor and oppressed. (Instead of having individual collections for the different disasters, this Disaster Offering will include the funds for all future disasters.)

## Lenten Giving Jars

Thank you, thank you, thank you to all who have returned their Lenten Giving Jars. Of the 30 jars given out, 23 were returned on Palm Sunday. We had a goal of \$200 to pay for the organ and piano tuning. The jars contained \$707, which is beyond the goal of \$200, and there are still 7 jars to be returned. This was a great result showing once again generosity of the Trinity Family. The session will determine how best to spend the amount in excess of the organ and piano tuning needs.—*The Stewardship Committee*

## Why Christ Calls Us to Worship

Easter services are usually well attended, but what about other weeks? What draws you to worship on an “average” Sunday, and what might Jesus have in store for people in the pews?

Consider this from Pastor Charles Aaron: “Did we come to church this morning thinking it was a safe thing to do? Did we come with some expectation of receiving a blessing, a bit of comfort, but no real challenge? Did we think about the possibility that encountering Jesus would rearrange our lives, explode our priorities, cause us to give more than we ever expected? Did we think we could get a little something from Jesus, a dose of grace to help us through the week? Did we come for the fellowship, the music, the spiritual boost? No one can argue with those reasons.”

He continues: “The risen Christ, however, may have had other plans for this worship service. Christ may want to come under our skins and transform us. Christ may see through us so that something we have well hidden comes to the surface. Christ may kick out from under us the things we use to prop ourselves up but that we don’t really need. Are we ready for that? Did we bargain on that when we walked through the door today?—*from The Wired Word*
