Leave it to God

Fourth-century theologian Augustine urged again and again that we focus on practicing love in the here and now, not on worrying about our lives in the hereafter.

In *Beautiful Bodies*, Margaret Miles writes that especially regarding complicated doctrines like predestination and challenges like "The one who endures to the end will be saved" (Matthew 24:13), we can't do anything *but* leave those to God. It's impossible for humans to take responsibility for ourselves in such matters. If we could determine our afterlife destiny by means of effort, persuasion or bribery, self-pride would surely be the accompanying sinful result.

"In fact," Miles writes, "preoccupation with one's eternal destiny distracts from a Christian's present business. 'Leave it to God,' St. Augustine said, and place your attention on living lovingly in the body of Christ here and now."

What is Per Capita?

The per capita assessment for 2025 is \$42 per person. Per capita is a fundamental way for all congregations and governing bodies of the Presbyterian Church (U.S.A.) to be connected and participate in the work of the wider church... The session pays per capita quarterly to the Presbytery. Without this purposeful giving these funds come out of Trinity's yearly budget, which makes it difficult for Trinity to meet specific needs of our church. Please contribute this purposeful giving of \$42 per person and make checks out to *Trinity Presbyterian Church* and, in the notation line, put *Per Capita*.
