True love

Many of us celebrate Valentine’s Day in both fun and serious ways. Children exchange treats and humorous cards with classmates and friends; some bring home handmade cards for the adults in their lives. Romantic partners may go out to eat and present each other flowers, chocolate, a fancy card — maybe even an engagement ring!

As playful as Valentine’s Day can be, it’s also a great time to remember the serious side of love, as indicated by these quotes:

- “When you love someone, you love the whole person as he or she is, and not as you would like them to be.” —Leo Tolstoy
- “You don’t love someone because they’re perfect; you love them in spite of the fact that they’re not.” —Jodi Picoult
- “Love ... is quiet understanding, mutual confidence, sharing and forgiving. ... It settles for less than perfection and makes allowances for human weaknesses.” —Ann Landers
 We can do the difficult work of true love — actions, not just feelings — only because God loved us first. He did (and does) so despite our imperfection, and in Jesus, God shows us how to share true love with others. This Valentine’s Day, if you don’t remember any other profound quotes, hold this one in your heart:

“We love because God first loved us.” —1 John 4:19 (NCV)

What is Per Capita?

The per capita assessment for 2025 is \$42 per person. Per capita is a fundamental way for all congregations and governing bodies of the Presbyterian Church (U.S.A.) to be connected and participate in the work of the wider church... The session pays per capita quarterly to the Presbytery. Without this purposeful giving these funds come out of Trinity’s yearly budget, which makes it difficult for Trinity to meet specific needs of our church. Please contribute this purposeful giving of \$42 per person and make checks out to *Trinity Presbyterian Church* and, in the notation line, put *Per Capita*.
